Accidents: every effort will be taken to make sure your pet gets groomed as safely and carefully as possible. But, unfortunately accidents **DO** happen. Dogs are licking, scratching, jumping, and overall wiggly creatures. Whereas dog grooming tools, by necessity, are sharp instruments. If there is a severe mishap we will contact you immediately but will take the necessary measures to get your pet the medical attention he/she requires. The Kennel Klub will not be responsible for any costs related to this.

Matted dog policy: dogs with matted coats will require extra attention. If the matting is minimal and the dog responds well we may demat for an extra fee. However, if the matting is severe the least painful and stressful way to remove the mats is by shaving the dog. There is a greater risk of nicking or scratching a matted dog during the grooming process. In addition, the skin may appear red, itchy and irritated due to the lack of oxygen reaching in and under the mats. The Kennel Klub will not be held responsible for any injury sustained while grooming a matted dog, including any after effects. This includes, but is not limited to swelling, redness, itchiness and self-inflicted abrasions due to external rubbing.
